

Matt Batchler

Matt is an entrepreneur and experienced leader who assists organizations in leveraging technology to radically differentiate themselves from their competition. He brings a refreshingly simplistic approach to identify and implement solutions that create rapid adoption. He joined S2A Solutions in 2019 as its head of technology and program management.

Matt has an extensive background in enterprise application architecture, technology management, product development, and building high performing cultures. He spent nearly 12 years as the Executive Director and Partner of ERP Suites, a Cincinnati based provider of IT solutions and ERP services. Matt's teams have won numerous national awards for product innovation, and product distinction. Matt is a frequent speaker on technology, innovation and entrepreneurship.

A proud graduate of the University of Cincinnati, Matt volunteers his time back to the Greater Cincinnati Startup community through mentorships with the UC Startup Accelerator and the Hamilton County Development Commission Startup Incubation programs.

In addition to his passion for technology, Matt is honored to give back to those who gave everything. He runs an annual charity event to raise money for Behind the Badge, a local cause providing support for local police, fire, military service members and their families.
